Zac,
I spoke with Jeff Lange and he said that it was up to the city but ODOT likes to see the approaches as far away from the intersection as possible but it is up to you.

Aaron,

Here are the Bolton Hill plans I told you about with the previous location and the new location of the driveways. I have also included a GIS version of what type of request we may see. As you can see, the driveway will still be further away from Bolton Hill Road than it was before.

Please let me know what you think and if you need more information.

Thanks,

Zac
