

DATE 11/25/2008

I am Tony Brown owner of Tony's Bar B que and have been a member of this community since September of 2004. I had previously opened my catering truck on the corner of jeans Rd. and Territorial Rd. I am requesting permission to open my catering truck on the corner of 25613 HWY 126 and Huston Rd.

I offer a wide range of foods and catering services. All foods will be prepared onsite. The unit is self contained and I will be disposing the grey water at a RV dumpsite and the garbage will be disposed of properly. There is adequate parking provided. There will be no congestion or interference with the other businesses around us. All necessary permits have been obtained through Lane County and I am fully licensed and insured.

I am looking forward to once again serving in Veneta's Community.

Thank you for your time and consideration in this matter.

Sincerely,

Tony Brown
